

Future Moms: *Your start to a healthy pregnancy*

Having a healthy baby is every mom's goal. You want to make the right choices and take care of yourself so you can reach that goal. But it's not always easy to do it alone.

That's why there's Future Moms. It's a program that can help you make good choices. And that can help you have a safe delivery and a healthy child.

Sign up as early as you can to get the most from the program. Just call us toll free at **866-347-8360** as soon as you know you're pregnant. One of our registered nurses will help you get started. You'll get:

- A toll-free number you can use to talk to a nurse coach any time, any day, about your pregnancy.
- Your Pregnancy Week by Week, a book to show you what changes you can expect for you and your baby over the next nine months.
- A screening to see if you might be at risk for depression or early delivery
- Other useful tools to help you, your doctor and your Future Moms nurse keep track of your pregnancy and spot possible risks.
- Free phone calls with other specialists, if needed.
- A booklet with tips to help keep you and your new baby safe and well.

It's easy to sign up.

Sign up for Future Moms by calling us toll free at **866-347-8360**. There's no cost to you.
