Visits with Virtual Care-Only Providers	Cost through our mobile app and website
Primary Care, and medical services for urgent/acute care	No charge
Mental Health & Substance Use Disorder Services	No charge
Specialist care	No charge

Covered Medical Benefits	Cost if you use an In-Network Provider	Cost if you use an Out-of-Network Provider
Overall Deductible	\$2,500 person / \$5,000 family	\$5,000 person / \$10,000 family
Overall Out-of-Pocket Limit <i>Coinsurance maximum \$2,500/\$5,000 (In-Network Level)</i>	\$10,600 person / \$21,200 family	\$14,200 person / \$28,400 family

The family deductible and out-of-pocket limit are embedded, meaning the cost shares of one family member will be applied to the per person deductible and per person out-of-pocket limit; in addition, amounts for all covered family members apply to both the family deductible and family out-of-pocket limit. No one member will pay more than the per person deductible or per person out-of-pocket limit.

All medical and prescription drug deductibles, copayments and coinsurance apply to the out-of-pocket limit.

In-Network and Out-of-Network deductibles and out-of-pocket limit amounts are separate and do not accumulate toward each other.

Doctor Visits (virtual and office) *Your plan requires the selection of a Primary Care Physician (PCP). A referral from your PCP is required for Specialist care and most other providers for select covered services when using out-of-network providers. When you select a Value-Based Provider as your PCP, you will not have to pay a Copayment, Deductible, or Coinsurance for PCP visits, x-rays, lab services and Urgent Care when provided by the Value-Based Provider.*
